Shear Comfort Wrap Around Boot

The Shear Comfort Wrap Around Boot offers full foot protection for use in and outdoors thanks to the low profile rubber sole. Comfort and an accommodating fit are ensured by the generous hook and loop strapping on the heel and top of the foot, allowing simple adjustment throughout the day to accommodate any discomfort or swelling.

The natural properties of wool ensures that comfort and protection is provided to the foot.

The moisture dissipation qualities of the wool ensure any perspiration is effectively wicked away from the skin.

- Non-slip rubber sole
- Velcro straps that fix behind the heel and over the top of the foot
- 30mm thick sheepskin pile for a high level of comfort
- Sheepskin density: 1900gsm

Shear Comfort Heel Protector

Shear Comfort Heel Protectors shield the skin on the heels, and provide protection for existing damaged skin. The wool layer wraps around the heel and ankle, leaving the rest of the foot free to move. Seams are positioned on the exterior of the protector to relieve the skin from areas of high pressure.

- Velcro straps that fix over the top of the foot
- 30mm thick sheepskin pile for a high level of comfort
- Sheepskin density: 1900gsm
